

YAS WATERWORLD

Abu Dhabi, UAE

Yas Waterworld is an innovative waterpark set across 15 hectares on Yas Island's entertainment district.

Yas Waterworld features 43 rides, slides and attractions that will appeal to the whole family.

Its unique theme is based on an original story developed exclusively for the waterpark, and pays tribute to the UAE's pearl-diving heritage.

Visitors experience fun and adventure on rides and attractions that have never been seen before in waterparks, such as the largest sheet wave surf ride, Bubble's Barrel, and the longest suspended rollercoaster in the Middle East, Bandit Bomber.
