

GUGGENHEIM ABU DHABI

Abu Dhabi, UAE

Guggenheim Abu Dhabi will be located in the Cultural District of Saadiyat Island in Abu Dhabi, the capital of the United Arab Emirates (UAE).

Designed by internationally renowned architect Frank Gehry, the 450,000-square-foot museum will house its own major modern and contemporary art collection and present special exhibitions that will include works from the Guggenheim Foundation's extensive collection.

The museum, the largest Guggenheim in the world, will have global art, exhibitions, and education programs with particular focus on Middle Eastern contemporary art.

MR-ProFun worked closely with Solomon R. Guggenheim Foundation in New York as well as with the onsite team in Abu Dhabi.

We conducted a review of the museum's proposed Organizational Structure and then developed nearly 200 different job descriptions for all positions in the museum
